

## Tour No 2

### Argolida (Mycenae-Nafplio-Epidaurus)

After breakfast get ready for an adventurous trip to one of the most important destinations in Peloponnese. Our first stop is at Mycenae, Homer's Rich in Gold town. Admire the impressive constructions and travel back in time in the place where Homer's greatest of men used to walk. Nafplion, Greece's first capital, is waiting for you, which is at the present a traditional settlement of international renown and one of the most picturesque and historical towns of the country. Our trip does not end here though: The Ancient Theatre of Epidauros awaits you to explore its exceptional acoustics, its absolute symmetry and the way it "sits" in the landscape. Keep silence for a few minutes...you may hear the ancient drama! On our way back to Corinth you have free time to enjoy the beauty of the city. Why not try the local food in a traditional taverna?
