Corinth Canal Cruise Passing

The Corinthian region fascinates you in every way! The Canal Cruise Passing is a life experience that nobody should miss! Dedicate some time to discover the undisputed Seafarer 'umbilical cord' between Western and Eastern Mediterranean! You will have the chance to see the canal from "inside" and enjoy the gorgeous sea views over the sparkling blue waters of the Corinthian Gulf. At each end of the canal, seashore roads cross using submersible bridges are lowered to the canal bottom to allow maritime traffic to pass. Nothing but charming nature and human astonishing creativeness! What a superb combination! The information regarding the canal (technical part) will be accomplished via a tape, which narrates a bit of history and some interesting facts about the construction of the canal in several languages.
